

Become a Friend of Mustard Seed Shelter

The Biblical parable tells of a tiny mustard seed that can grow into a plant large enough to provide shelter for many birds. But no seed will survive, let alone grow, without the right amount of water, nutrients and sunshine.

The Friends of Mustard Seed Shelter are like the farmers who keep our Shelter alive and flourishing – even in the toughest environments. **Please become a Friend and help support our important ongoing mission.**

All we ask is a **\$50 annual membership commitment** and a promise to **keep our guests in your daily prayers**, asking God to assist them in their personal journeys toward independence. While your gift will help us keep the heat on and food on the table, it is through your prayers that we will see true miracles occur – as our guests start to heal and make a better life for themselves and their children.
