Benefit Album: *Help Them Find a Soft Place to Fall* (20-Song CD or USB)

Don Steele, a devoted friend of Mustard Seed Shelter looking for a meaningful way to contribute to our ministry, invited several fellow musicians to join him in recording this benefit album. Stories of struggle, perseverance and hope are woven throughout these songs – not unlike the stories of women who find themselves at our home on Cherry Street.

Filmmaker Luka Dziubyna spent 10 weeks with some of our guests in early 2019 filming this documentary, which highlights the work Mustard Seed has done since 1995 to help women and their families end the cycle of poverty and homelessness and find their role in the Saginaw community.
